

SPECIALTY PAIN CARE

ACCESSIBILITY

Last update: **August 11, 2023**

Specialty Pain Care is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Measures to Support Accessibility

Specialty Pain Care takes the following measures to ensure accessibility of Specialty Pain Care:

- Include accessibility throughout our internal policies
- Integrate accessibility into our procurement practices

Conformance Status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Specialty Pain Care is partially conformant with WCAG 2.1 level AAA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
